

1 **Step 1:**
Color the scrambled letters that will spell SANTA.

2 **Step 2:**
Cut out all 10 puzzle pieces. If you prefer an easier puzzle, cut only the vertical dotted lines, to leave you with 5 tall puzzle pieces.

3 **Step 3:**
Paste the puzzle pieces on to one of the puzzle sheets. For an easier puzzle, match the pieces to the sheet with the image. For a slightly more challenging (yet still simple) puzzle, use the blank puzzle sheet.

+ **Step 4:**
Use "S-A-N-T-A" from *Super Simple Songs - Christmas* for review.
